EDUCATION

George Brown College - Canada <i>Web Development – Front-End Design Program</i>	Sep 2023 – Aug 2024
George Brown College - Canada <i>Mobile Application Development and Strategy</i>	Sep 2022 – Aug 2023
Charotar University of Science and Technology - India <i>Bachelor of Technology in Computer Engineering</i>	Jun 2018 – Apr 2022

EXPERIENCE

Full Stack Developer <i>Trionic Technologies LLP</i> <ul style="list-style-type: none">Built fully responsive and cross-browser compatible web applications using HTML, CSS, JavaScript, and Bootstrap on the frontend, with dynamic backend integration using Node JS and MySQL.Worked closely with UI/UX designers and backend teams to develop scalable full-stack solutions, implementing features such as user authentication, CRUD operations, and role-based access control.Enhanced website visibility by implementing SEO best practices and integrated Google Analytics for performance monitoring, contributing to a 40% increase in organic traffic and user engagement.	Sep 2022 – Dec 2024 <i>Vijapur, Gujarat, India</i>
Front-End Developer <i>B12 Give</i> <ul style="list-style-type: none">Developed and maintained dynamic web applications using ReactJS for the front end and Node.js with Express.js for the back end, enhancing page load time by 20% and improving overall user experience.Designed and implemented RESTful APIs to ensure smooth data flow between the front-end and back-end, improving the performance and scalability of web applications.Worked on database design and integration using MongoDB, optimizing queries and reducing response times.	May 2024 – Aug 2024 <i>Toronto, ON</i>
iOS Developer <i>George Brown College</i> <ul style="list-style-type: none">Designed and developed the Repairmate iOS app, simplifying car service booking.Built and integrated features such as GPS-based mechanic search, cost estimation, service booking, and payment processing, improving the booking experience for 500+ users.	May 2023 – Sep 2023 <i>Toronto, ON</i>

PROJECTS

WealthFlow <i>Node.js, Next.js, MongoDB, Tailwind CSS, JWT</i> <ul style="list-style-type: none">Developed a full-stack expense tracker that enables users to efficiently log, categorize, and analyze daily expenses.Implemented JWT-based authentication with bcrypt password hashing, ensuring secure access and user data protection.Designed a responsive and intuitive UI using Tailwind CSS, enhancing user experience across devices.Built high-performance RESTful APIs with Node.js and Express.js, improving data retrieval efficiency and reducing response times.Integrated an automated bill reminder system, helping users track upcoming expenses and avoid late payments.
Repairmate <i>Swift, Firebase, REST API</i> <ul style="list-style-type: none">Developed an iOS app to streamline car service bookings, providing a user-friendly interface and seamless experience.Incorporated Firebase for user authentication and real-time database management, ensuring secure data storage and enhanced app performance.Designed and integrated REST APIs for service booking and profile management, improving user engagement and reducing app load time by 30%.
Mantraflex <i>ReactJS, SCSS, MUI, Bootstrap, NodeJS, MongoDB, RestAPI</i> <ul style="list-style-type: none">Developed a user-friendly physiotherapy website using ReactJS for the front end, and built the backend with Node.js and MongoDB to handle appointment scheduling and patient management.Designed a responsive layout ensuring seamless user experience across desktops, tablets, and mobile devices, improving accessibility by 25%.Implemented a full-stack appointment booking system with backend validation and real-time notifications, allowing users to conveniently schedule physiotherapy sessions online.

TECHNICAL SKILLS

Languages: Python, C++, SQL (Postgres), JavaScript, HTML/CSS, TypeScript
Frameworks: NextJS, ReactJS, NodeJS, Flask, WordPress, Material-UI, REST API, Angular JS
Developer Tools: Git, Docker, XCode, Visual Studio, PyCharm, Firebase, MongoDB, Figma, Adobe XD
Soft Skills: Communication, Critical Thinking, Time Management, Adaptability, Problem-Solving, Leadership.
